Agencement de l'espace : puzzle.

Décore les morceaux du puzzle en suivant les modèles.

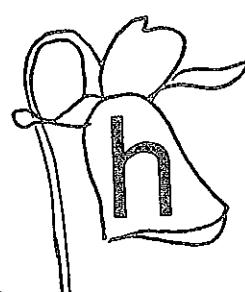

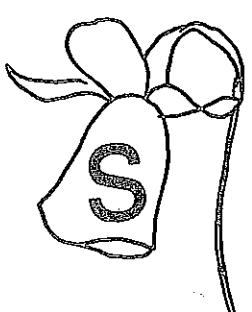

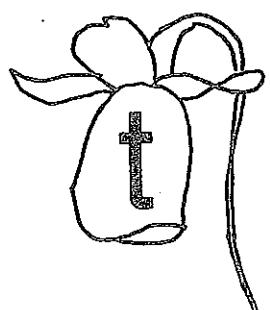

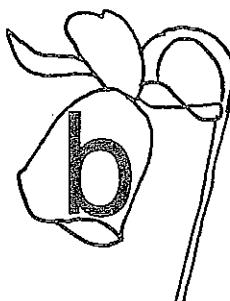

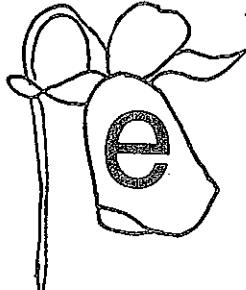

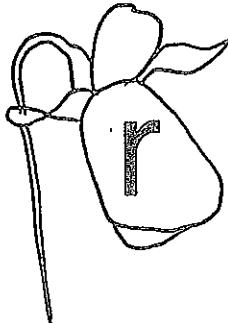

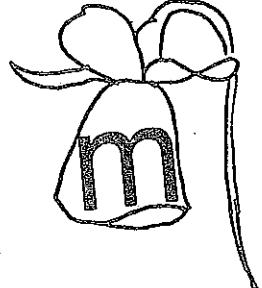

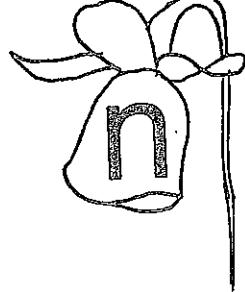

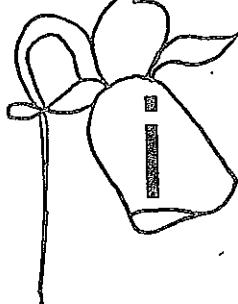

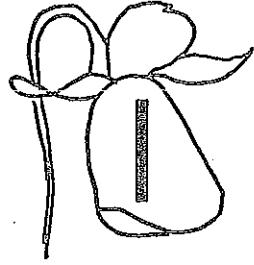

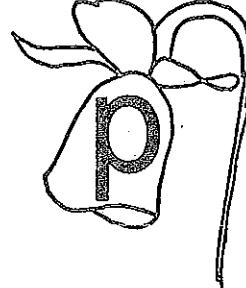

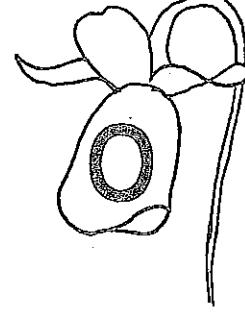

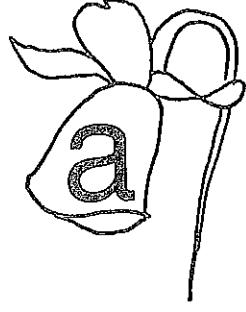

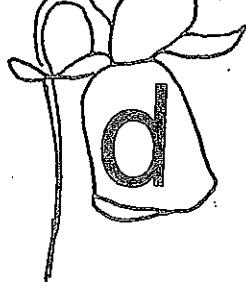

INTRODUIRE LE LANGAGE ÉCRIT - DÉCOUVRIR LE PRINCIPE ALPHABÉTIQUE - RECONNAISSANCE DE LETTRES

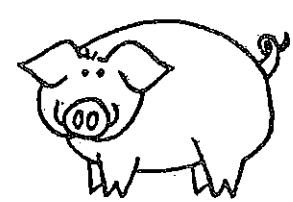

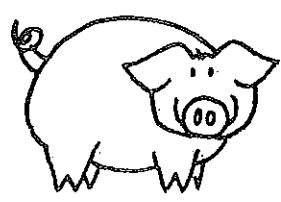

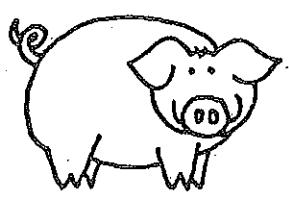

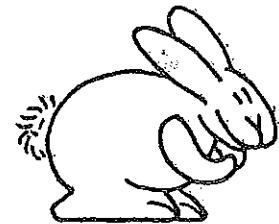

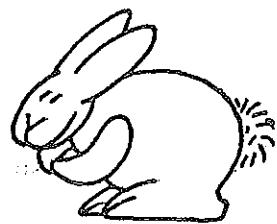

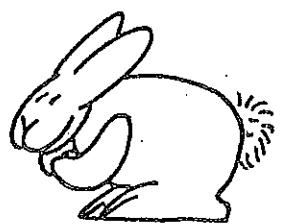

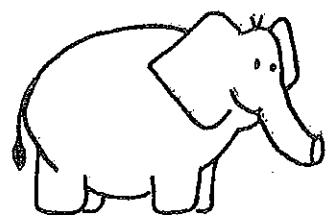

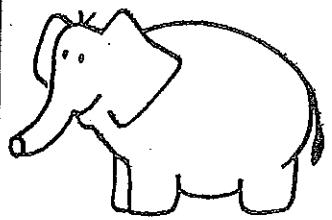

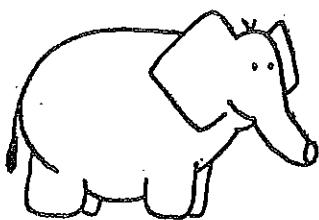

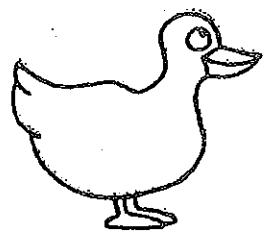

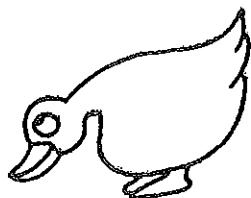

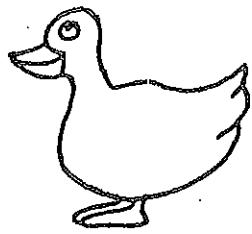

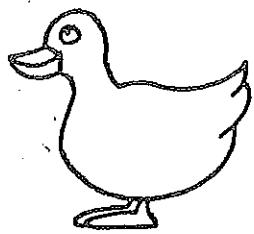

(en script) - Reconstituer un mot à partir des lettres qui le composent -

Colorie toutes les fleurs qui contiennent les lettres qui servent à écrire le mot printemps -

printemps

Dans chaque série , colorie l'animal qui est orienté comme son modèle -

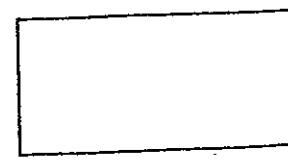

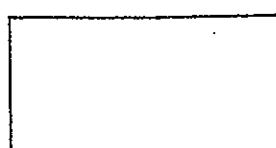

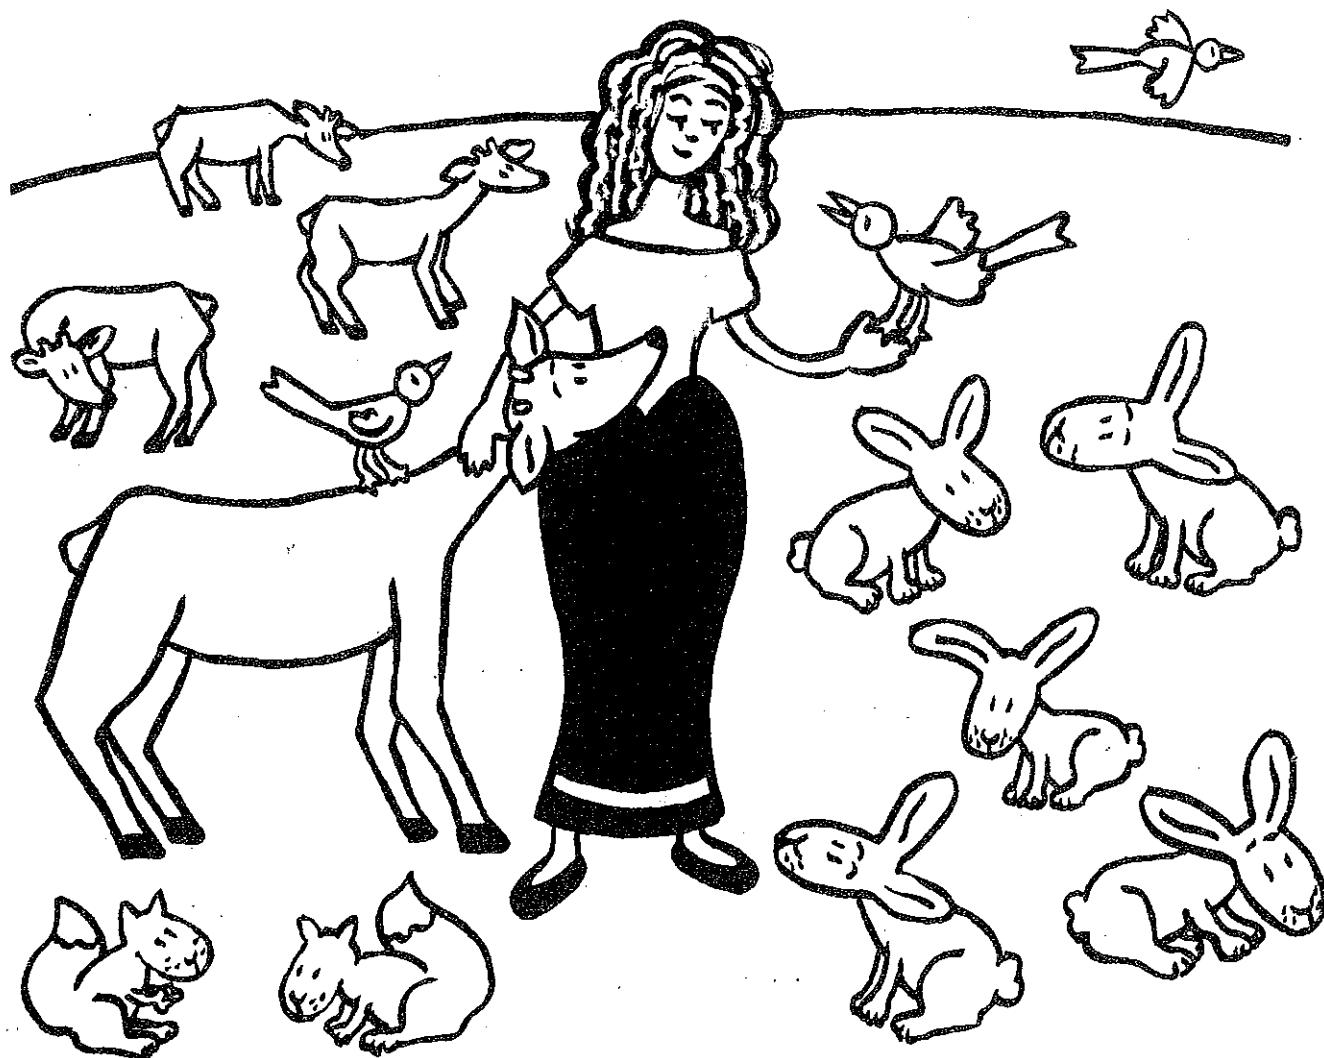

Structurer sa pensée – Découvrir les nombres et leurs utilisations -

De 1 à 5. Dénombrer des petites quantités

Associer une collection à un chiffre

1. Je colorie tous les lapins d'une même couleur, tous les oiseaux d'une autre couleur,...
2. Je compte combien il y a d'animal dans chaque catégorie et je colle le chiffre dans la case correspondante.

1 2 3 4 5
