

Dessine les trajets des boomerangs :

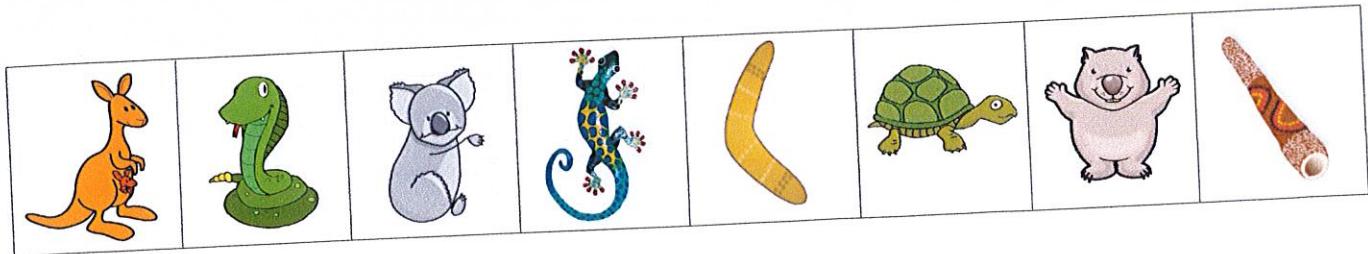

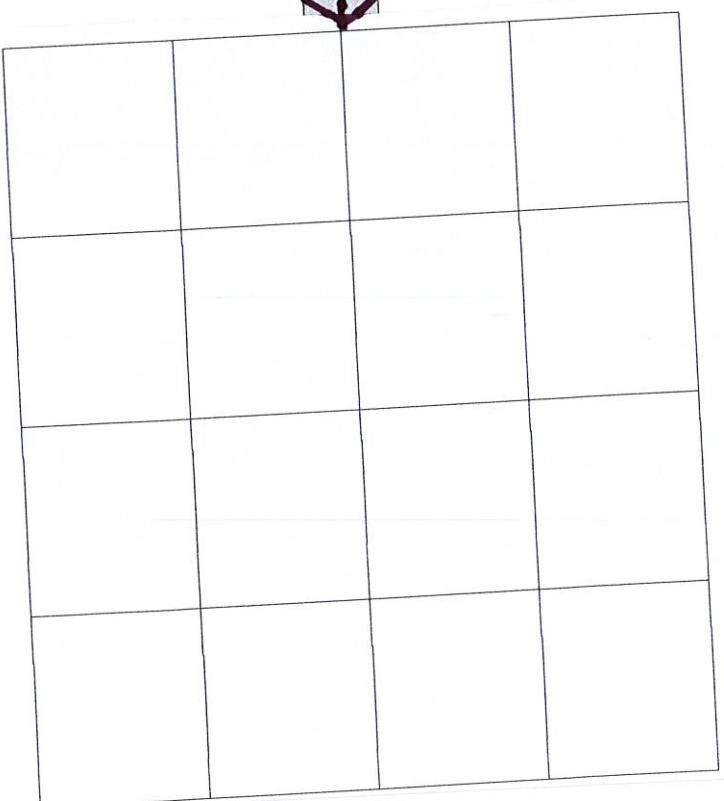

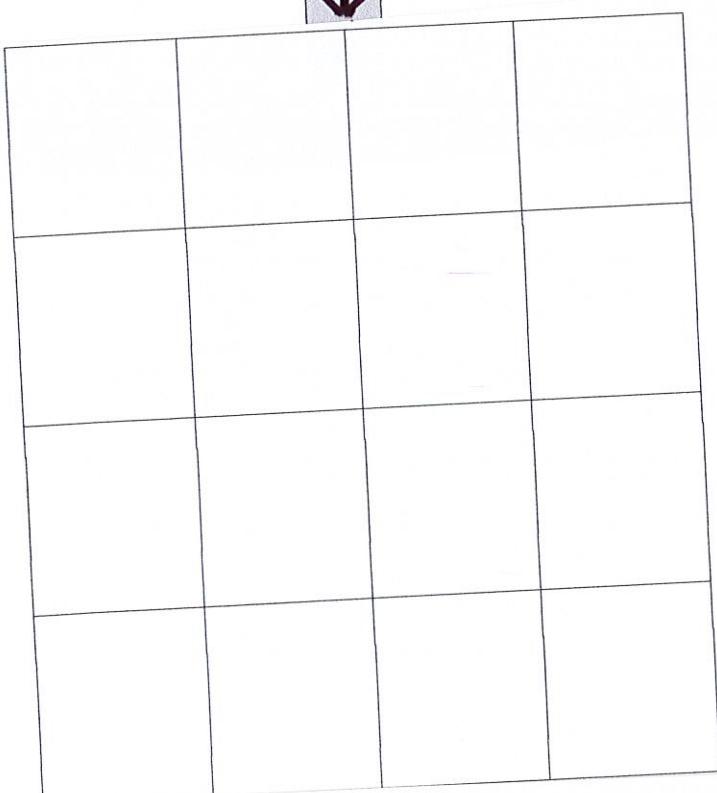

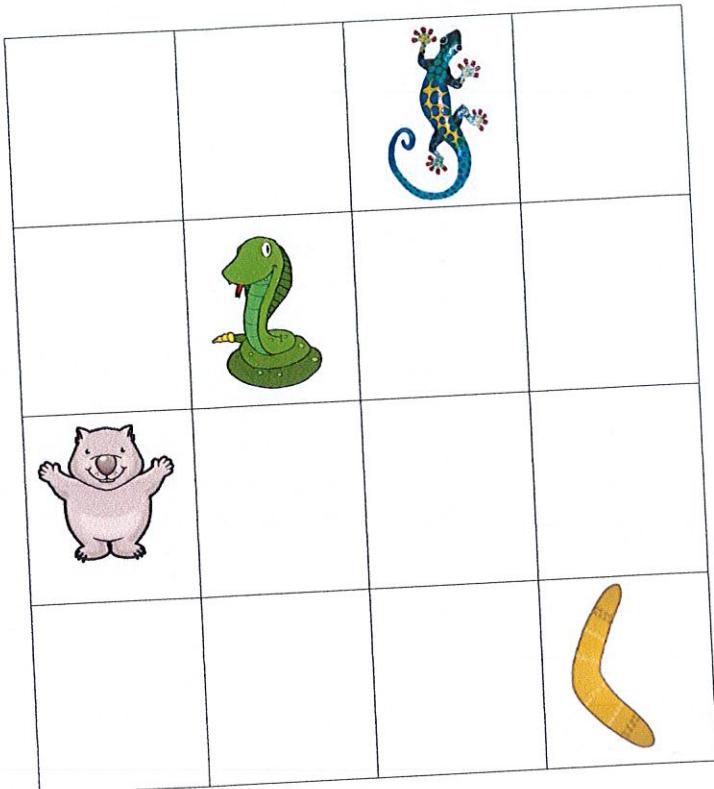

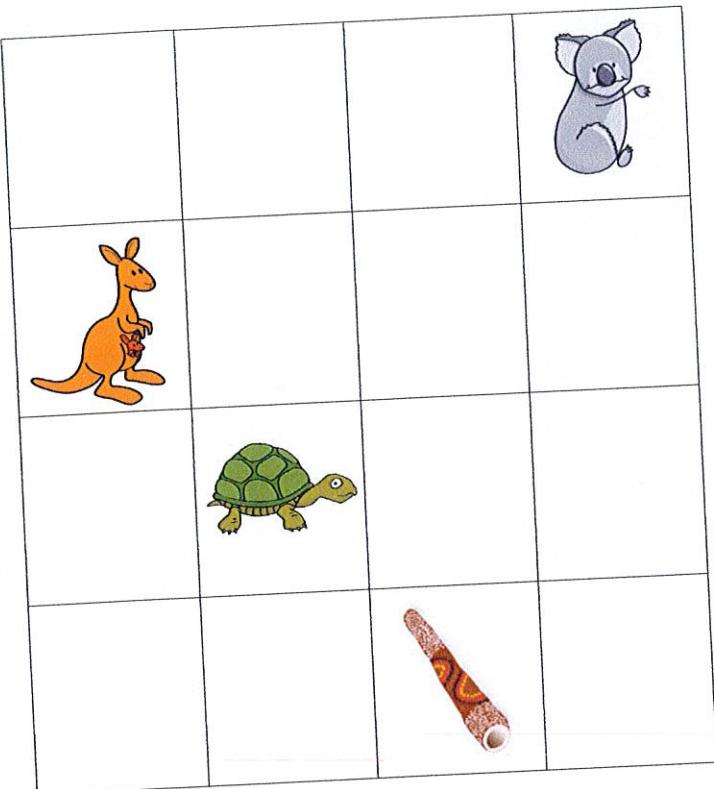

# Reproduction sur quadrillage

Date :

Prénom :

Consigne : Place les animaux et les objets australiens de façon identique sur les deux quadrillages.

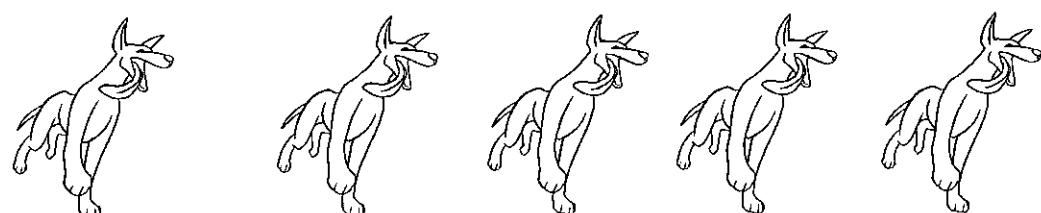

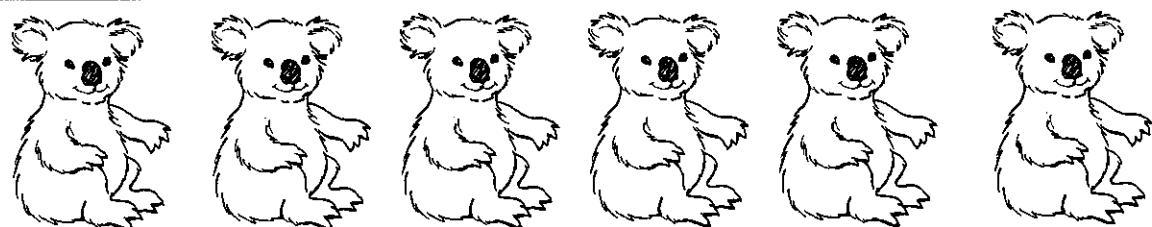

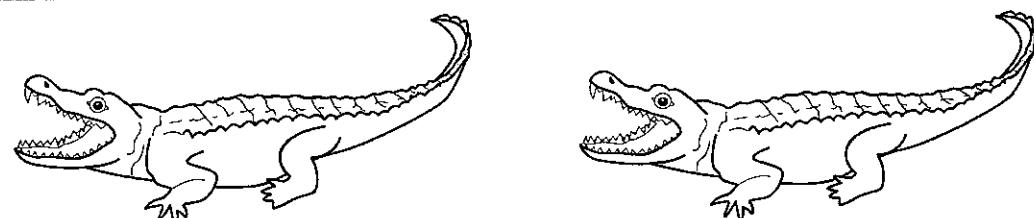

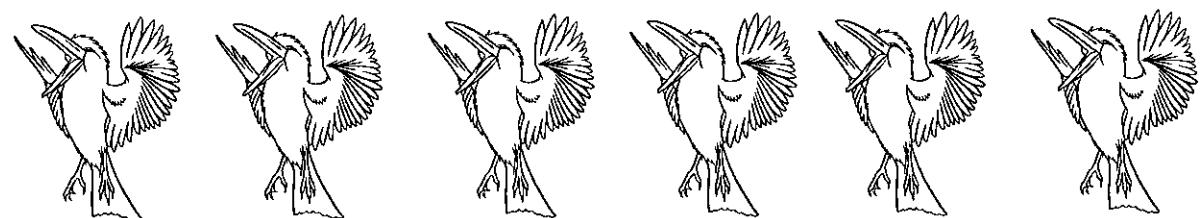

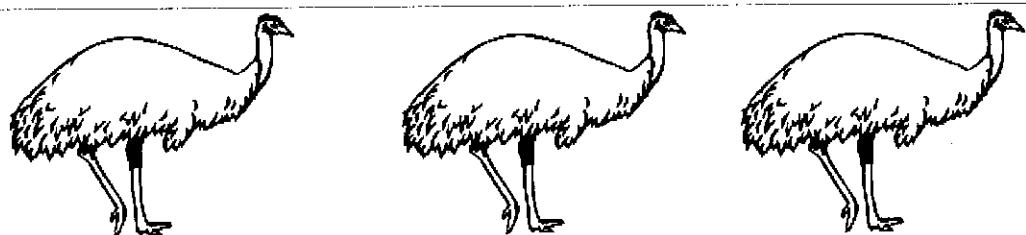

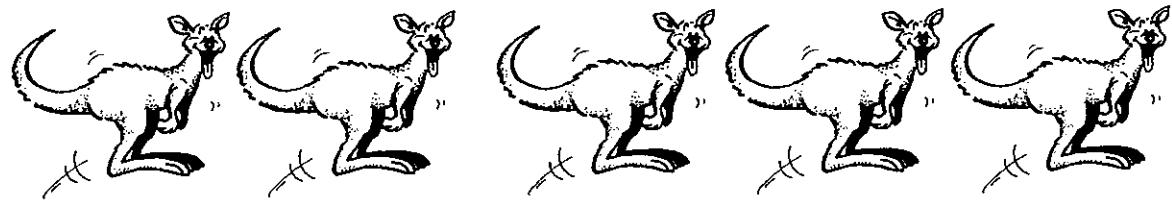

# Numération

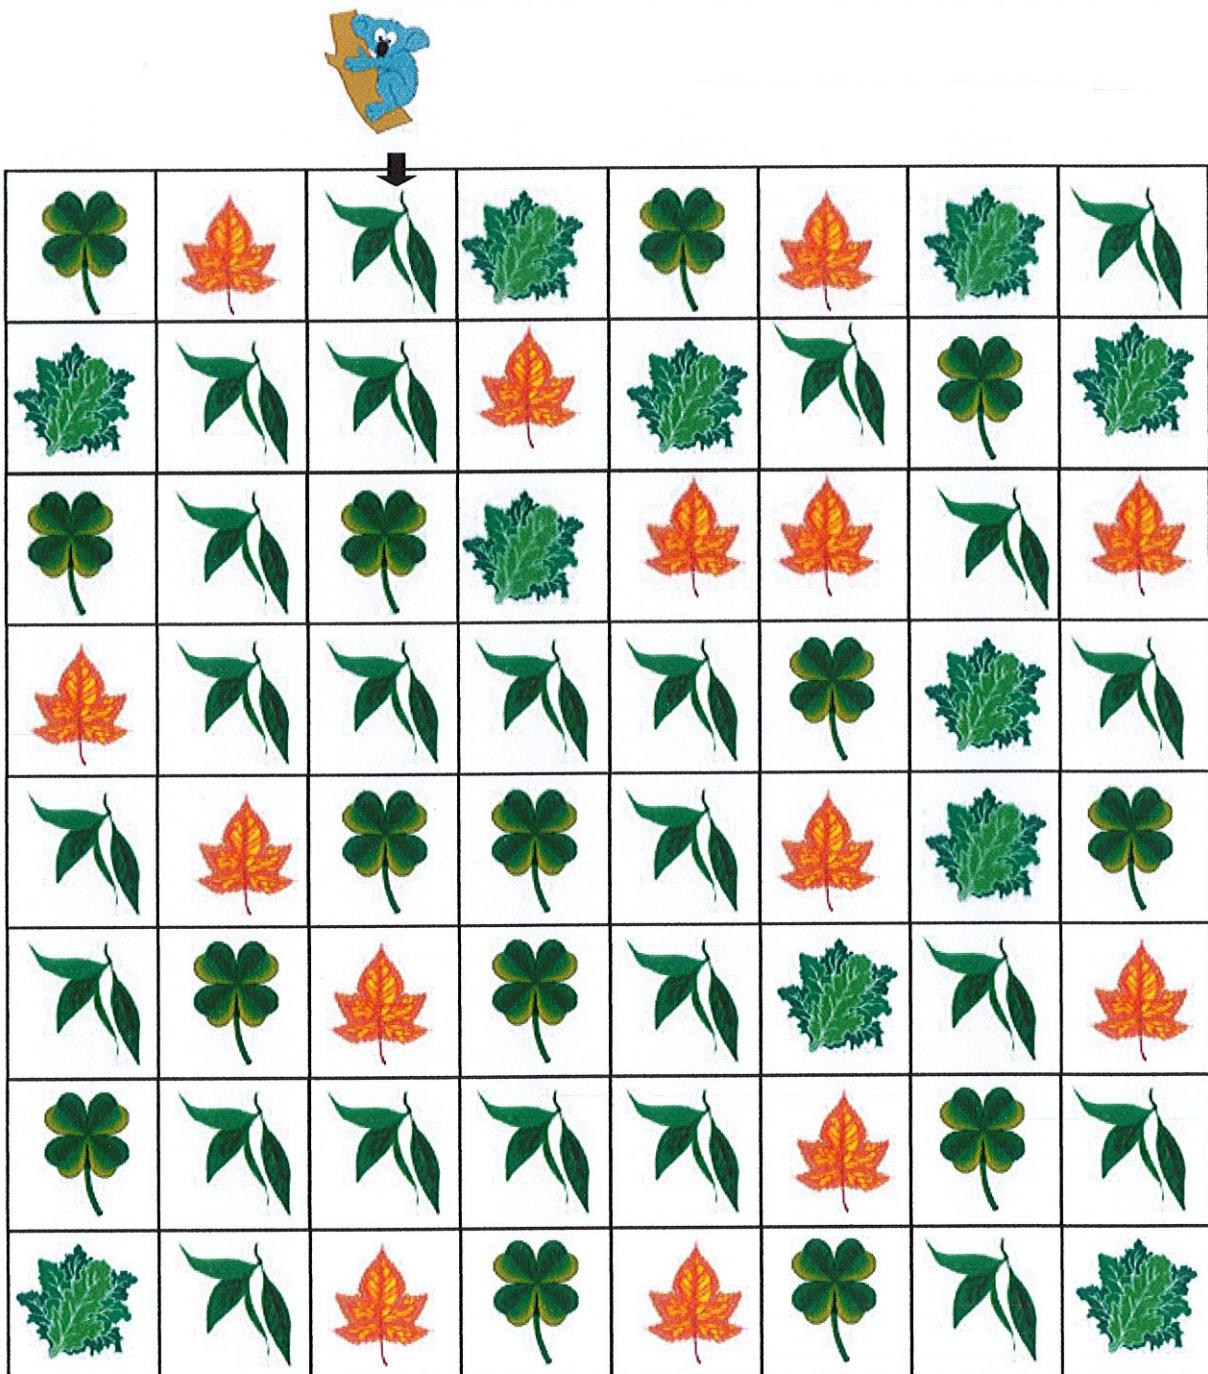

Prénom :

Date :

Consigne : Indique le nombre d'animaux dans chaque ligne au début de celle-ci.

Pour retrouver sa famille, le koala doit traverser cette forêt en ne passant que sur des cases avec des feuilles d'eucalyptus. Trace son chemin :

# MS : PRÉ-LECTURE

Prénom : ..... Date : .....

Consigne : J'entoure les mots identiques au modèle.
